RE: Stakeholder Draft, Military Munitions Response Program, Historical Records Review, Fort Sheridan, Illinois; Contract No.: DACA-45-02-D0010, Task Order No.: 0003.

Dear Mr. Fleming:

Enclosed on behalf of Mr. Robert Zaruba, United States Army Corps of Engineers (USACE), Omaha District, please find one (1) hard copy and one (1) electronic copy of the *Stakeholder Draft, Military Munitions Response Program, Historical Records Review, Fort Sheridan, Illinois*.

This *Stakeholder Draft Historical Records Review* has been developed in accordance with the USACE, Omaha District project Scope of Work dated 19 March 2004 and summarizes the findings of the review of existing Fort Sheridan historic and environmental records.

If you have any questions regarding this document or project, please do not hesitate to call Mr. Zaruba at (402) 221-7659, Mr. Dave Torgersen of the 88th RRC at (612) 713-3820, or me at (757) 643-7886.

Should you have review comments pertaining to the historic and technical information depicted in the document, please submit them to Mr. Zaruba at robert.k.zaruba@usace.army.mil no later than 20 July 2005. We would like to receive comments prior to the Technical Project Planning (TPP) meeting tentatively scheduled for the first week of August at Fort Sheridan in order to review them for discussion during the meeting. Thank you.

Sincerely,
engineering-environmental Management, Inc. (e²M)
